Track A – Research - Grand Ballroom A

Moderator: Prof. Christian Perronne, MD, PhD

13:30-14:00 *Chronic Inflammatory Response Syndrome*- Barbara de Rijdt, PharmD

14:00-14:30 *RelA Inhibitors for Treatment of Chronic Bacterial Infections* Garth Ehrlich, PhD

14:30-15:00 Networking Break with Poster Presentations – Grand Ballroom Foyer

15:00-16:00 *Antimicrobial Resistance of Borrelia – Can We Find a Trojan Horse?* Eva Sapi, PhD

16:00-16:30 *Oral Poster Presentation* (To be announced)

16:30-17:00 *Question and Answer Period with Afternoon Faculty*

Track B- Lyme Basics* - Grand Ballroom B

Moderator: Kris Majdylo, MD

Faculty: Samuel M. Shor, MD, Immediate Past President, ILADS
B. Robert Mozayeni, MD, President-Elect, ILADS

13:30-14:30 **Part I- Basic Concepts Definition & Incidence/Two Standards of Care-** Samuel M. Shor, MD

Historical perspective

Clinical manifestations Acute/Chronic

14:30-15:00 Networking Break with Poster Presentations – Grand Ballroom Foyer

15:00-16:15 **Part 2 – Management-** Samuel M. Shor, MD

Clinical Judgment

Short term antibiotics in late stage disease

Evidence of persistent infection

Treatment

Prophylaxis

Acute Lyme-with or without an EM Rash

Long term treatment

“No Benefit” - analysis of these studies

Positive outcomes of retreatment

Antimicrobials

Clinical Oversight

16:15-16:45 Networking Break with Poster Presentations – Grand Ballroom Foyer

16:45-17:30 **Part 3 - Pathogenesis** B. Robert Mozayeni, MD

17:30 Adjourn

Saturday, June 16, 2018

7:30 – 17:00 Registration and Exhibits Open – Grand Ballroom Foyer

Advances in Lyme - Grand Ballroom

Morning Session*

Moderator: B. Robert Mozayeni, MD

8:15-8:30 *Welcome* ILADS President Leo J. Shea III, PhD

8:30-9:00 *Bacterial Biofilms and Long-Term Antibiotic Treatment* Niels Hoiby, MD, DMSc

9:00-9:30 *Biofilms in Lyme* Eva Sapi, PhD

9:30-10:00 *Rickettsia Infection* Tomasz Wielkoszyński, MD, PhD

10:00-10:30 Networking Break with Poster Presentations – Grand Ballroom Foyer

10:30-11:00 *Chronic Inflammation of the Brain* Theoharis Theoharides, MD, PhD

11:00-11:30 *Sickness Behavior in Children with Lyme - Altered Immunity* Magdalena Cubala-Kucharska, MD, PhD

11:30-12:00 *Low-Dose Naltrexone as a Treatment for Chronic Inflammation* Pol de Saedeleer, PharmD

12:00-12:30 Morning Session Question and Answer

12:30-14:00 Lunch for all Registrants

Afternoon Session*

Moderator: Samuel M. Shor, MD

14:00-14:30 *Babesiosis, a World-Wide Problem - What are the Best Tests for Diagnosis? –20 Years Perspective* Jyotsna Shah, PhD

14:30-15:00 *Neurotransmitters in Immune Stress* E. Marion Schneider, PhD

15:00-15:30 *Effect of Chronic Inflammation Caused by Viruses on the Course of Chronic Lyme* Armin Schwarzbach, MD, PhD

15:30-16:00 Networking Break with Poster Presentations – Grand Ballroom Foyer

16:00-16:30 *Antibiotic Treatment for Chronic Diseases* Jack Lambert MD, PhD

16:30-17:00 Question and Answer with all Saturday Faculty

17:00 Adjourn

*** Simultaneous Translation between English/Polish and Polish/English**
