Redefining Lyme Disease: The Fusion of Science and Practice

The International Lyme and Associated Diseases Society (ILADS) invites you to participate in our 25th Annual Scientific Conference at the Grand Hyatt San Antonio Riverwalk, on November 7-10, 2024.

This four-day meeting is the premier educational event for physicians, researchers and medical professionals who have an interest in diagnosing and treating Lyme and associated vector-borne illnesses. The ILADS Annual Scientific Conference is the event where innovative medicine, technology, and cutting-edge research come together in the fight against Lyme and associated diseases. RESERVE YOUR BOOTH SPACE TODAY!

We are excited to invite you to San Antonio for our 25th Annual Scientific Conference!

It’s our anniversary and we want you to be a Texas-sized part of the experience.

ILADS hosts the most comprehensive conference focused on tick-borne illness and represents the full spectrum of medical professionals and decision-makers, including general practice and subspecialties, young physicians, residents, other allied health professionals and researchers.

Building off our renewed momentum, our Expo Hall is a key component of the conference. Attendees seek our exhibitors as an “education destination” that feature displays of the latest products from exhibiting companies, as well as interactive hands-on demonstrations, cutting-edge product theater presentations, and engaging, interactive activities.

We hope you will join us this year as our valued partners as we redefine Lyme disease!
